

BUCKY'S REMODEL

South Elgin, IL

FFS Materials Utilized on this Re-Imaging project:

Walstone - Veneer Panel

- Main Building and Car Wash - Upper Wall - Random Pattern in Wyoming White and Mt Airy #0 with Dark Gray resin.
- Durable, impact resistant and water proof product

Blockcast - Veneer Panel

- Main Building and Car Wash - Wainscot - Random Pattern in China White - Sand Finish Texture
- Eliminates all but a fraction of the weight of traditional masonry.

Car Wash Entry after Remodel
